About US

Your Child is the center of our universe and we firmly believe that his unique talent is waiting to be discovered. We strive to sharpen your child's mind, channelize his energy ensuring that his potential is fully realised rather than being just one among the crowd by providing one educator for every 15 students. The Tulip International School is a vanguard school in 21st-century education offering CBSE curriculum coupled with world-class well-researched learning methodology, which adapts to the learning profile of your child. Our vision is to provide the best learning experience to ensure all children make excellent progress and become lifelong learners. We will inspire self-belief in everyone to shape and meet their aspirations and will meet the needs of the whole child and adapt our approaches to suit their needs. We will create an inclusive and accepting school where everyone is equal.

Our Community

We create a community of teachers, parents, friends and society around students for instilling values; developing life skills and ensuring complete wellness (body, mind & soul) of the student. In this community, we encourage students to compete with self rather than other and build their future on the strong foundation of their own thoughts, creativity, talent and communication.

At Tulip

Learning Benefits

The CBSE curriculum is designed keeping in mind multi-dimensional child-centric approach. It is both interactive and pragmatic. We nurture children to be confident, self-sufficient, have independent thought process and a never ending urge for learning; hence At 'Tulip International School' Students from KG to Primary follow Chrysalis curriculum which is designed based on CBSE curriculum and for middle school NCERT books are followed.

Interactive based learning – Lot of discussions which increases the comfort level of the child making her/him closer to the teacher

Creative based learning – Through storytelling, examples, art and via spot writing which gives boost to the children's imaginative & creative thinking

Aids – Audio visual aids, flashcards, educational toys, e-learning, sand pit, vegetable patch, separate toy room

More stress on communication skills and encourage 100% participation.

Testimonials

As a parent I feel very happy and proud that my child is studying at Tulip International School [CBSE]. At Tulip my child is learning his subjects through activities, which makes him to understand the concepts very well. Apart from the academics Tulip gives various extra-curricular activities which helps him to develop his skills in extracurricular activities. Overall I feel very happy to be a part of Tulip International School.
