1st day of School 10-6-19

The first day at school is a milestone for both parents and child. The most important day of a child's education is the first day of school. The first day sets the tone for the whole year. The 2019-2020 academic year started with over 500 students onboard. The first day of school was filled with jitters, excitement, and anticipation of the unknown. There was lots of happy moments, students were eager to meet their old friends and excited to make new friends. Tulip International school [CBSE] staff made handmade gifts crafted with lots of love for all the students and gave them on the first day of school to show their love. Kids were surprised when they received the gifts and said thanks to the teachers for the gifts and love. Overall the day was so joyful and beautiful with all the children in the campus. Take a look at some of those lovable moments.

Thank you so much for sending your amazing children to school. We extend our heartfelt thanks to the almighty for bringing these wonderful kids to tulip family and management for providing a wonderful ambience for the children's. Relive those wonderful moments with this pics.

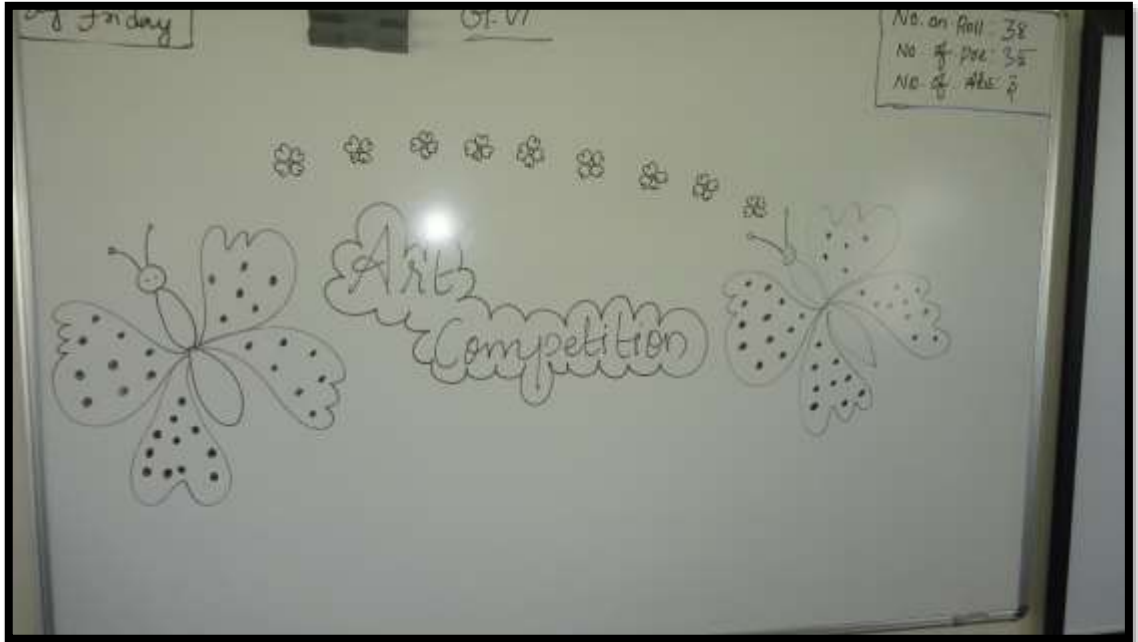

International Yoga Day (21/06/2019)

Yoga is a Vedic medicine which is given in the form of exercise. To create the awareness about the benefit of Yoga the International Yoga Day was celebrated on 21/06/18 all over the world. Tulip International school students Joined with the world to celebrate the International Yoga day.

Art Competition 28-6-19

The artist is not a special kind of person; rather each person is a special kind of artist. To find that artist in our school, we conducted an art competition from KG- Grade 8. Students had actively participated and showed their artistic skills. From great monuments to beautiful natural scenery were given life from those little hands. They showed us that even if it is a small thing do with great love and enjoy every moment of life. Enjoy those artistic and beautifully crafted moments with these colourful pictures.

FUTURE INVENTORS AND CREATORS

As a kid we grew up watching animation movies and robots in T.V. We never imagined how the characters in the cartoon move around and how the robots work. This is the 21st century, the world is evolving fast and the kids are too fast in learning technological things. Tulip International school [CBSE] students are not behind with the world but geared up to challenge the future. Our Tulip little brains are genius and learnt quickly about PCB and presented wonderful working models. We were fascinated when 4th and 5th-grade students demonstrate on resistors, transistors, capacitors, and grade 8 students making animated characters. Inventors and creators are in the making at Tulip. Check out these pictures and you will believe

REMEMBERING OUR TRADITIONAL GAMES

There are so many games out there today. But none of the games can replace the joy of playing our traditional games. During our childhood, we played games such as (Nondi kabbadi, Kabbadi, Adu puli attam, Nondi, Pallankuzhi, Pambaram, Gilli..etc) All these games has its own culture, unfortunately, most of these traditional games are on the verge of extinction. To give fresh blood to these wonderful games our Tulip International school[CBSE] students are learning to play these games during their physical education period. Students enjoyed while playing the games and expressed their happiness with teachers for teaching these amazing games. (#Protect our games, Protect our culture)
